

# TEXT YOUR BRANCH

## ASK YOUR ROBERTSON BRANCH CAN I TEXT YOU?

### Strong communication is a top priority!

Not only can you call, email, order online or talk to your salesman, you could be texting us too!

Next time you talk to your branch ask them if they are using ProKeep.

You wouldn't be limited to just text either. Send us screenshots, photos from a jobsite, documents, have us check inventory or request a quote!

No more missed messages due to vacations, meetings, on the phone, etc.

**Ask to try it today! No app to download, no training required, just texting!**
